VOLUNTEER EXPERIENCE

MMU Superheroes (Mar 2023)
voulenteer

I'm a motivated Software Developer with a focus on creating intuitive user interfaces and high-performance applications. I have a strong foundation in mobile app development and a keen interest in clean, readable, and testable code. Ready for full-time, I value collaboration and professional growth. I have successfully published projects, showcasing my ability to deliver quality applications.

WORK EXPERIENCE

Vimigo Technologies

(Jul 2023 - Oct 2023)

Front-End Intern

- Enhanced the mobile app with new features using Flutter and collaborated with the backend team for implementation.
- Collaborated with the backend team to design user-friendly interfaces.
- Analyzed user behavior for data-driven app improvements and collaborated with the development team for optimizations using Git and SourceTree.
